Insert new Finding of Fact 102.

" On December 8, 2011, APS filed an "Additional Status Update on the 2011 RES Budget for November 2011." In that filing, APS identified \$19 million collected, but unspent that are available for the Commission to use at its discretion.

We believe that \$300,000 of the \$19 million be used to create a separate budget line item for Solar Water Heating."
